**"ADOPT A STUDENT"**

Our Winona Area Catholic Parishes through, WACS (Winona Area Catholic Schools) have long held the vision that a Catholic education should not be denied to any student regardless of family income

## Why Invest in a Child?

### Catholic Education Works!

- Programs in our school develop the “total” person—spiritually, academically, socially, emotionally and morally.
- Effective Catholic leadership is provided by the Pastors, our school principal, and school board.

- The students receive excellent religious Instruction and the integration of faith and values throughout all curriculum areas.
- Students have an opportunity to attend liturgies and prayer services on a weekly basis in which they assume the responsibilities of different roles.
- The students are involved in a variety of service projects.

## Why the Program is Needed

The Adopt-A-Student program will directly impact families and students at WACS who otherwise would find it difficult, if not impossible, to afford a Catholic education. Your donation will also allow WACS to provide a greater amount of financial

support for all students. We endeavor to accept all students and families regardless of financial need. As tuition rates increase, so too does the need. The current tuition rate at WACS is \$2425.00 per year per student.

## How the Program Works

The student's family applies for assistance through the principal and is placed on a list, ranked according to greatest need. Donors are allowed to give at any level. Due to IRS regulations you cannot designate a particular child. All gifts go directly to the school to distribute according to need, and are tax deductible. Your generous gift this year can help make the dream of Catholic education a reality for children in need in our community. Whether it covers the cost of educating a child for a week, a month or the entire school year, **your gift is an investment in the future** and it is priceless to the child who receives it.

*Winona Area Catholic Schools exist to provide a Catholic education in which students learn, appreciate and live their faith in order to serve God and others in an atmosphere of respect, caring and personal responsibility.*
